

An excerpt from Xena's journal

"This is the single most fucked thing I've seen. The fact Greg's mentor actually managed to escape out of this place without an airship is...fuck. Scary as hell. That giant whatever-Sah'reii's-sidekick thing was horrifying. It almost bit us out of the air! And the taint...fuck, I have no idea if there's anyone who could fix this. It's horrific. What the hell did she *do*?"
