

The Amethyst Institute

The Amethyst Institute of Vocational Learning and Arcane Research, often abbreviated to AIVLAR and more colloquially known as the Amethyst Institute, is an organization founded in Cyruth, Ostia, as a major center of learning and knowledge. It was founded by [Kayde](#) in the Age of Zeal, year 4. It functions as both a research organization and a university, supplying funding and support for many studious endeavors as well as providing resources for learning trades, magic, and history. Sago serves as the luminary for the Amethyst Institute's values.
