Appearance

Height: 6'5" Age 19

Zenialis is a hybrid of a maned wolf and an african wild dog. Primarily he appears to be a maned wolf, tall, long-legged, and orange furred with a dark mane down his back. However his arms bear the markings of an African wild dog

In his casual wear he wears a tunic underneath a red lightly patterned red poncho and red knee pants, with tall shoes that fit his digitigrade legs. On his right wrist he wears a bracelet made of dark purple duskwood beads and on his left he has a light clothlike lavender band.

Background

Unknown

Abilities

Zen has awakened a kinetic gate that connects him to the planes of wood and water and has a degree of control over those elements.
